

Celebrating over 27 years of science excellence!

In-House Field Trips For Preschools & Daycare Centers With Science Explorers, Inc.

Science Explorers will visit your site with our hands-on STEM classes. We will provide all materials, a qualified instructor and a take home experiment or project.

- **Time:** 2 hour minimum. Time can be split between school-age, preschool and/or toddler classes.
- **Group Size for K-6:** Up to 20 students per class or 25 if site provides additional staff members. Special arrangement for larger groups.
- **Groups Size for Preschool/Toddlers:** Up to 15 students per class or more if site provides additional staff members.
- **Cost:** \$150/hour. Discount for multiply hours, locations and/or dates. Mileage will depend on location of center.
- **Preschool/Toddler Topics:** African Safari, animals, bugs, chemistry, dinosaurs, physics, Todd's Turtles, Under the Sea and many more.
- **Grades K-6 Topics:** Aerospace Engineering, chemistry, catapults, Gizmos/Gadgets, electrical, Spy Science and many more.

Science Explorers provides all equipment and materials.

Science Explorers will visit your site.

Science Explorers offers classes for toddlers, preschoolers and grades K-6.
